OBSERVATION SYSTEMS**
Part # 92-7622
5" LCD SYSTEM

System 322 includes 1 high quality **COLOR** to automatic B&W infrared wide-angle camera with microphone, and 65 ft. (20m.) of cable.

Part # 92-7622 322 5" LCD Color
ONLY \$598

System 322 is a top-quality 5" Flat Panel, cabled system, which includes a standard 65 ft. (20m.) cable. This system comes standard with a single high quality **COLOR** to automatic B&W infrared wide-angle camera. This system can be upgraded to a two-camera system by adding an optional camera. This system has professional driving features unmatched in the vehicle observation industry: vertical screen flip for precise backing, horizontal screen flip, 5 highly adjustable screen views (adjustable in increments of 1, similar to high-line televisions), on-screen calendar, and sleep timer. System even has an easy to use IR remote to operate all monitor features.
